"A Time for Tradition" was the theme for Homecoming 1990. Events kicked off with Hall Decorating contest in which Linsley Hall took first place with their time capsule, complete with protesting hippies in the sixties, disco dancing in the seventies and a robot maid of the future. Peirce Hall and Horace Mann Hall placed second and third. The FSC Super Sports was not just for athletes, everyone took part and enjoyed a series of 'off the wall' events. Larned Hall placed first, Linsley Hall came in second and Foster Hall finished third. The Semi-Formal dance was held at the Natick Hilton, where everyone danced and enjoyed watching videos from two wall-size screens. The main event of the weekend was the traditional football game in which The Rams turned in a victory!!! Other events included a indoor yard sale and a chocolate chip cookie festival.

Win, lose or crawl is usually a fun and frantic game, but when playing under the influence of alcohol, against a sober team, it can becom a major task just to stay standing. All this for fun? NO, to prove point, that alcohol can alter you so that even the little, simple, fu things seem so difficult! DON'T DRINK AND DRIVE . . .

ASSOCIATION

Debate after debate, rally after rally petition after petition, they fought the fight against tuition increase and Voted NO! against Question 3. There were speakers and rallies, picketing and emergency meetings, all waging war on budget cuts.
The staff, faculty, administration and students of FSC pulled together and pushed past their limits, leading the way for all state colleges to follow.

OPERATION DESERT STORM

Although everything seemed to be running smoothly here at FSC there was sadness lurking. Friends, family, and even some of our very own FSC students were not here with us. These young men and women were fighting for what they thought was right over in Saudi. We did not forget them, we read about them in our campus paper and heard about them on our campus radio station. A vigil was held in honor of those overseas, especially our students; Patricia Nee, Andrew Morceau, and Larry Shanahan. Desert Storm was a trying time for all, let us not forget those people who fought for our country . . .

These are just a few of the many people here at Framingham State College that help our campus. There are many and, I mean many, people at our school that help us in various ways. Although very few staff, faculty and administrators are shown in our yearbook we will still remember those who had something to do with anything that helped us to graduate on time (or close to on time.) We also will remember those who were just plain there for us when we needed some advice or guidance. So for those of you who help and were not able to be pictured in our yearbook, PLEASE know that we will remember.

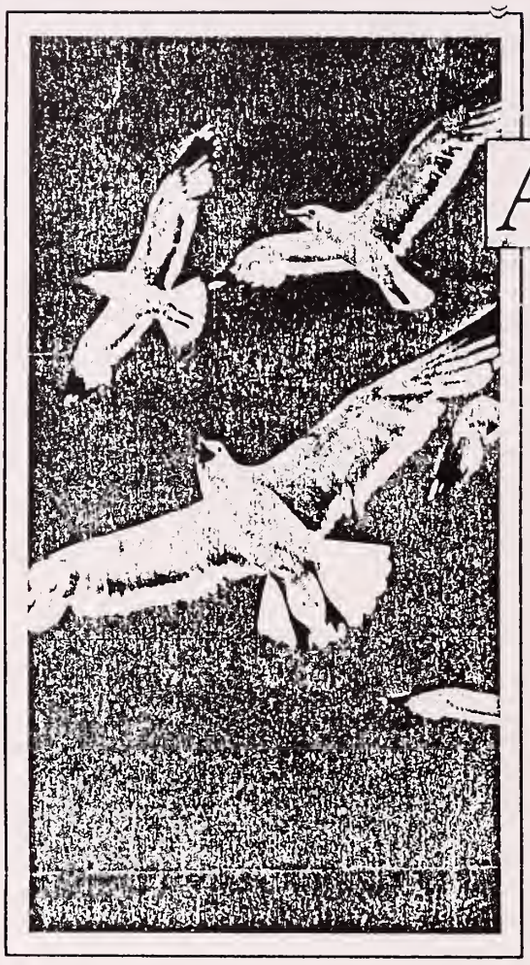
Little Goodbye



A WINNER'S CREED

If you think you are beaten, you are;
If you think you dare not, you don't;
If you'd like to win, but think you can't,
It's almost a cinch you won't.

If you think you'll lose, you're lost,
For out in the world we find
Success begins with a person's faith;
It's all in the state of mind.

Life's battles don't always go
To the stronger or faster hand;
They go to the one who trusts in God
And always thinks "I can."

Author Unknown

This is dedicated to my father, Richard Wilson Sr.
Karen R. Wilson

The race is not given to the swift,
Nor the battle to the strong
But to those who endureth to end!
I want to thank you God for being there for me throughout
my college career, and I know you'll be there for me forever!
Karen R. Wilson

First I'd just like to thank those people who helped me with the yearbook, Lynne Pearson, Roberta Edwards, Lori, Ev, Scott, Lauren, Ross and anyone else who helped. I'd also like to thank Evalyn G. for staying up all night with me through deadlines, it was a great help to have a helping hand. The Dial staff: Lynne, Lori, Roberta and myself would like to thank everyone for their patience with us and the Dial photographers Lauren and myself for being in everyone's faces. I'd like to thank Dick Swiech for helping and Norm Benrimo for being helpful with photo STUFF. Lastly, I'd like to thank all those who donated pictures, time and or effort to help make this yearbook. THANK YOU!!!!!!!

As editor of the Dial I learned a lot about everything that has to do with friends and fun and when to be serious. Finishing the book over the summer was a long delayed project and I hope that if I left anything out that should have been in the yearbook that first, you will realize that there were lots going on at our college and secondly, that I hope you will forgive me. Even on the verge of burnout, which I'm sure a lot of seniors can relate to, I still had a sense of pleasure knowing that I, along with my staff and outside help, could and would bring you a fine yearbook. I hope that in the future more people will realize that making a yearbook is a tough job for a small staff and that they will take the time to donate some of themselves and their own time to make the yearbook even better.
Lastly, I hope you all enjoy your yearbook and I hope you all remember all the time you spent at Framingham State College and smile when you see yourself and friends here in this book.

P.S.
I hope you will all over look
the fact that I am obviously
not an English major and forgive
me for not being a creative writer.

Yours truly
Editor in Chief
Lisa Pondelli

I'd like to say one more thanks to Everyone at FSC for having great faces, and making my job a editor and photographer one that I will always remember. THANK YOU ALL especially the clas of 1991!!!! Congrats to the BEST!!!!
